

Dear

**Congratulations -- you are ready to submit your registration! Here's what to do next:**

**1. Print and sign all your forms:**

Sign your Voter Registration/Ballot Request form and addendum page below. Election officials require your ORIGINAL SIGNATURE on the forms.

Address your envelope to your local election office:

USA

**2. Send in your signed, dated, original form:**

Avaaz has partnered with international shipping specialist DHL to provide a fast, easy-to-use solution for returning your completed form quickly. Check your inbox for an email with subject line "Avaaz Voter Registration: next steps" for a link to arrange for a DHL representative to pick up your form directly from your home!

Or, mail from a post office instead of a mailbox and, if possible, get the envelope legibly postmarked with the date of mailing, as this is important for election deadlines.

**3. Confirm that you are on the voter rolls and will receive your ballot.**

It's a good idea to check your application has been received and approved -- because you are unlikely to be notified if your application has been lost or not approved.

### **4. Mark your calendar and be prepared to use a back-up ballot.**

Sometimes ballots arrive late. If you haven't received your official ballot from your local election office by the week of October 15, click here (<https://register.avaaz.org/vote/FwabStart.htm>) to submit a “write-in” ballot. You should still submit your original ballot once you receive it in addition to the “write-in” ballot.

Now get to the post-office!

With hope,

Emma, Rewan, Ben, Oli, and the entire Avaaz Overseas Voting Team
