

Every Citizen is a Voter

Dear Voter,

Thank you for using the U.S. Vote Foundation site to generate your Vote-by-Mail Absentee Ballot Request form.

You must submit your Request to your Election Office!

Please follow all steps to complete the registration/ballot request process.

1. Double check your form to verify that your information is correct:

- If changes are needed, return to the US Vote website to correct and download a new form.
- If any information is missing from your form, for example, an unchecked box, you can correct it by hand.

2. Print and sign your form:

- Print, sign and check the date on your Registration/Ballot Request form.
- Your election official requires your ORIGINAL signature on the form.
- Your Signature is More Than a Signature - it is Part of Your Identity:
when voting by mail, the signature on your ballot request form will be kept on file with your election office. It will later be matched to the signature on your ballot return envelope to verify your identity. Don't forget to sign and keep your signature consistent!

Every Citizen is a Voter

3. Address your envelope and send your form to your local election office:

US Vote recommends postal mail as the most secure method for returning your election materials to your local election official.

You may be able to return your ballot request by fax, email or online – find out what options are available by visiting [State Voting Requirements/“Voter Materials Transmission Options.”](#)

4. Confirm that your request has been received and approved by contacting your local election official.

Local Election Official:

5. Mark your calendar and be prepared to use a Federal Write-In Absentee Ballot.

If you haven't receive your official ballot from your local election office 30 days before the election, return to the US Vote Foundation website to use the Federal Write-In Absentee Ballot.

Every Citizen is a Voter

6. Please give back to US Vote

Every Voter Deserves Safe and Secure Ballot Access.

With your support U.S. Vote Foundation and our Overseas Vote initiative can help more voters participate during this current public health crisis.

Help us to help other voters. Your contribution makes a difference!

As a nonpartisan, not-for-profit, civic organization, we rely on donations from engaged citizens like you. Please donate now and consider making a recurring donation – a small monthly donation sustains our operations and changes everything about what we can do for you and other voters.
